Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	David Brockhurst	
Address	TIMBERDENE, THE DRIVE, THE DRIVE, BILLINGSHURST, RH14 0TE	
Type of Comment	Objection	
Comments	I thought the new mandate was to preserve woodland to fight global warming, not only is this planning in conflict with the Green mandate the addition of large lorries using rural roads will lead to accidents, unsustainable road wear and additional local pollution in an already expanding population due to unabated housing development.
