## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Sue Pullen	
Address	FARM CLOSE, 3, FARM CLOSE, BILLINGSHURST, RH14 0UT	
Type of Comment	Objection	
Comments	I object to this application very strongly because Loxwood Road is windy, narrow and already has pot holes. It will become even more dangerous and put peoples lives at risk if this application is successful. I moved to Loxwood six years ago having had to endure the worry of living very near the unlawful Crouchland Biogas Plant and experiencing first hand the direct impact of the HGVs going past my house. I dispair that my life and health along with many many other local people will be severely impacted by the danger , noise and pollution that will be created by the development of Loxwood Clay Pits in Pallinghurst Woods and the planned 42 HGV truck movements a day.
