Name	<input type="text" value="Pauline Hammett"/>
Address	<input type="text" value="LANTERN HOUSE, TWO WAYS, TWO WAYS, BILLINGSHURST, RH14 0SD"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>Environment: There is already a problem with emissions in this country and therefore this application of excavation of our wonderful and tranquil woodland would result in more unhealthy emissions being released into the environment.</p> <p>Tranquility: This is currently a peaceful area of beauty and the tranquility would be devastated with the activity of this development due to the lorries and heavy machinery.</p> <p>I hope this application is not approved.</p>
