Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="I am objecting as the site would cause irreparable damage to the local area, destroying woodland and animal habitat at a time when environmental issues and climate change are at the forefront of everyday life. That is before the toll on the unsuitable roads for that many HGV's is taken into consideration, and the pollution that will cause. With these issues in mind it seems incomprehensible that such a proposal could possibly go ahead."/>
