## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Ken Woffenden	
Address	PARAVEL HOUSE, LOXWOOD, BILLINGSHURST RH14 0QW	
Type of Comment	Objection	
Comments	I object to this application for the following reasons. 1. It is inappropriate use of a greenfield site, which includes much ancient woodland. 2. The site is remote and tranquil and the proposed development will cause significant, highly intrusive noise and disturbance. 3. It will have a materially adverse effect on local wildlife, especially the bat population, exacerbated by loss of existing tree habitat. 4. HGV volumes in the immediate adjoining area will be increased by c300%, with significant noise and disturbance. 5. There will be loss of and/or intrusion into established and proposed rights of way 6. The proposal raises significant highway safety issues, particularly at the junction of Loxwood Road and the A281, which have not been satisfactorily addressed. 7. There will be an unacceptable increase of noise, dust and other pollutants emanating from the proposed development.
