Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Elisabeth de Souza
Address	Hideaway cottage, Surrey gdns, Effingham jcn
Type of Comment Comments	Objection
	Any applications on green belt land must be opposed. This is a precious resource which is being eater into all the time. It is not possible to restore old woodland once it is gone and in this year when we realise the dange of climate change all efforts to preserve what we have for the future and our children should be made
