Type of Comment	Objection	
Comments	I am a trustee of Happy Landings Carriage driving group, affiliated to RDA National, we are based at Tismans House, Tismans Common. We take disabled adults and children for carriage drives and regularly use the B2133 Loxwood Road during our weekly session. This will no longer be possible if this application is approved as the amount of heavy traffic will make it too dangerous for our horses to be on the road and so will curtail what we can do to give our disabled drivers the fun that they are used to.
