

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Josie Jordan"/>
Address	<input type="text" value="FOXBRIDGE COTTAGE, PLAISTOW ROAD, PLAISTOW ROAD, BILLINGSHURST, RH14 0TZ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="I am a local resident and have been for many years, I enjoy walking with my dog &amp; friends as well as horseriding &amp; so I enjoy using all the footpaths and bridleways. I live in the countryside because I love the peace and tranquility and the natural environment. Infact, we are constantly being informed by global news about the importance of protecting our natural environment, the plants, wild animals, insects, bugs, rare species...you name it. So all this is not just about our own human enjoyment of nature it's about protecting our wildlife and leaving their natural, healthy habitats for them to flourish rather than for us to mistreat our earth and for them to suffer and die out. This proposed scheme is nothing less than ripping out the heart of this ancient woodland. I can't even believe the notion is being entertained by anyone with any heart, conscience or intellect. It's completely heartbreaking. Add to ripping out this ancient woodland and habitat, the noise, light and air pollution it's a complete disaster for animals, plants and humans both physically and mentally. We have just come through and are not even out of this pandemic ..... yet we are expected to roll over and accept this kind of behaviour? And what about the roads? We have walkers, cyclists, horseriders, children and elderly alike..... using these small country roads so to add any more traffic let alone HGV traffic is irresponsible for safety reasons as well as further noise and air pollution. I implore the council to completely reject this proposal and to protect our ancient woodlands and habitats from light, noise and air pollution and to protect our footpaths, bridleways and the safety of our country roads for the residents of this much loved area."/>
