Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Mr & Mrs Taylor
Address	The Gables, The Lane, Ifold, Billingshurst, West Sussex
Type of Comment	Objection
Comments	We strongly object to the proposal. The lack of infrastructure , despicable condition of all our roads, and the impact on our countryside would be catastrophic. The village itself has now become over developed with properties , which in itself puts a strain on the road network. Not only will the additional hgv activity add to this problem, but we need to focus on the wider issue to save our forestry, countryside and surrounding villages.
