

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Kathryn Lucas"/>
Address	<input type="text" value="PLAISTOW ROAD, 9, PLAISTOW ROAD, BILLINGSHURST, RH14 0SX"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I object to the planning application.</p> <p>The site is completely unsuitable. Brownfield sites or built up areas should be used for waste centres. There is currently adequate provision for waste in the area.</p> <p>The proposed development area runs along a public right of way, where there is currently no development, therefore no noise or light pollution. Building here will severely affect the wildlife habitats for thousands of creatures. Let alone hundreds of vehicle movements on roads that are completely inadequate for the trucks described. Causing damage to properties and the road surface and kerbs along the entire length of the route. Let alone the risk to pedestrians, and all other road users.</p>
