Address	ORCHARD HILL, 1, ORCHARD HILL, HORSHAM, RH12 3EQ	
Type of Comment	Objection	
Comments	This development has the potential to destroy beautiful woodland area having a devastating effect on the wildlife that inhabit these woods as well as the environment. In addition the pollution and noice that heavy duty vehicles will cause along with excess traffic on infrastructure that has not been designed to cope with this will be a danger to all those living in this area.
