

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Anastasia Fawcett"/>
Address	<input type="text" value="HOME BARN, TISMANS COMMON, TISMANS COMMON, HORSHAM, RH12 3BW"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>The increased lorry traffic will have a severe impact on the local villages Bucks Green and Tismans Common and will present a severe safety risk for existing road users along Loxwood Road. This has not been fully assessed the road is narrow and dangerous for cycling as it is - the increase of large lorries will make cycling impossible and driving a normal car treacherous.</p> <p>The proposed site access arrangements are not 'safe and suitable' as claimed and represent a severe risk to other road users and pedestrians</p> <p>The development will result in an increase in net carbon emissions from the burning of fossil fuels; removal of trees and disturbance of the woodland floor.</p> <p>The proposed operation does not conform with either the Loxwood Neighbourhood Plan, or the Chichester District Local Plan for development in a rural area.</p> <p>This is a greenfield site; National policy states that waste sites should be sited in built-up areas or brownfield sites.</p> <p>The proposal includes a huge building amid ancient woodlands. The ancillary building and quarrying operation would have a significant visual impact in the landscape.</p>
