Comment for planning application WSCC/030/21

Application	WSCC/030/21	
number		
Name	Helen Shepherd	
Address	ATHELDENE, LOXWOOD ROAD, LOXWOOD ROAD, HORSHAM, RH12 3DW	
Type of	Objection	
Comment		
Comments	I think the destruction of this woodland would be totally inappropriate in this area. The extraction of clay and and the recycling of building rubble or the like would not bring any benefits to our location.	
	The transport used to facilitate this operation would bring pollution, noise, damage, and danger to the	
	narrow Loxwood Road. Su	ely ownership of forest land should be used for conservation of nature.
