

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Elizabeth Mustill"/>
Address	<input type="text" value="CAMELLIA COTTAGE, STATION ROAD, LOXWOOD, BILLINGSHURST, RH14 0SN"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="As a dog owner and walker and I am furious to discover that an area of this beautiful woodland will be destroyed to make way for a waste facility. This will have a major impact on the wildlife. This is a greenfield site. Waste sites should be in built up areas of brownfield sites. There will be significant noise disturbance in what is currently a beautiful and tranquil area. 42 HGV lorries travelling down narrow lanes will be dangerous to pedestrians and cyclists and will be a severe highway safety issue. The proposed application does not form part of the Loxwood Neighbourhood Plan and does not benefit our villages in any way. I strongly object to this application."/>
