Name	<input type="text" value="Kevin Deanus"/>

Comments	<p>I strongly object to this application. My main grounds are</p> <ol style="list-style-type: none"><li>1) The increase in traffic in locations such as Loxwood Road, Alfold, and the surrounding rural roads which are unsuitable for heavy HGV use.</li><li>2) The locations are remote and the tranquility and peacefulness of the area will be spoilt.</li><li>3) The location is unsuitable and is not a brownfield site.</li><li>4) The loss of amenity as this route will run alongside established high of ways</li><li>5) Impact on the environment, damage to animals and habitat.</li><li>6) Excessive noise and disturbance in the area, but also the wider area</li><li>7) Impact on trees and hedgerows which are well established.</li></ol> <p>These are just a few examples, but the application is unnecessary, inappropriate, and unsuitable for this area, and I urge the Council to refuse this application.</p>
