Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Charles Pinney	
Address	DUKES HOUSE, COX GREEN, COX GREEN, HORSHAM, RH12 3DE	
Type of Comment	Objection	
Comments	I would like to object to this application on the following grounds: - it seeks to develop an unspoilt area of woodland in a tranquil spot much used by walkers. There will be a large amount of noise and light pollution as well as disturbance to the local wildlife - The increase in the amount of HGV traffic is totally unacceptable. The local roads are narrow and windy and the safety implications are serious. The noise and vibration from the HGVs will affect all those living along the roads and those in the neighbouring villages. We have seen this in Rudgwick where the lorries bringing landfill to the old brickworks cause a major nuisance, not only from noise and vibration, but also from the creation of potholes and the breaking down of the verges - The development is not in line with the Loxwood Neighbourhood Plan or the Chichester District Local Plan for development in an area such as this. It will add nothing to the local area or the community - The demand for clay locally is non-existent and it is absurd to try to tarnsport it for long distance I hope this application will be rejected Charles Pinney
