Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Garry Jones	
Address	Swallowtail Chalk Road Ifold	
Type of Comment	Objection	
Comments	I object to this as it would appear that this whole plan is not necessary and looks like another plan to obtain money from both the clay extraction and the landfill infill. This would be at a massive cost to the environment and us local people having to suffer all the disruption. Please reconsider and block this plan!
