Comments	<input type="text" value="I object to the construction of Loxwood Claypits due to the increased traffic it will bring through the surrounding villages, which are already under increased pressure due to areas of new housing being built/already assigned to be built on. It would also be a shame to build upon more of our green spaces within the area which are one of the attractions of living here, as well as the impact it will have on nature within the area."/>
