Comments	<p>I strongly object to this planning application , on the following grounds . I understand that there will be up to 42 HGV's per day along Loxwood Road , which is totally unacceptable on such a narrow country road . The potential for serious accidents would be greatly increased . I have enjoyed many walks in these lovely woods and believe that the pupils health would be put at risk if this application is approved . As a frequent user of this road , between Rudgwick and Loxwood , I am deeply concerned about the major hazard of the HGV's entering and emerging slowly at the sharp bend at the lay-by . For these reasons and many others , this application must be rejected .</p>
