Comments	<input type="text" value="I object to this planning application for the following reasons:
1. It is an unsuitable location - a greenfield site.
2. The Loxwood Road is very narrow in places and unsuitable for lorries .
3. HGVs would be passing very near to an established public right of way making it dangerous for pedestrians.
4. Light and noise pollution in the middle of woods.
5. There is no demand for clay. WSCC has enough supply for 25 years."/>
