Comment for planning application WSCC/030/21

| Application number | WSCC/030/21 |
|--------------------|--|
| Name | James Crompton |
| Address | SPRINGFIELDS CLOSE, 3, SPRINGFIELDS CLOSE, BILLINGSHURST, RH14 0AY |
| Type of Comment | Objection |
| Comments | I am a resident of the local area and have an objection to this application for clay pits. Protections of our woodlands and environment should be the upmost importance. More important than the destruction of nature for profit. My children walk in the forests and woods of this area and they should be preserved for future generations. We are only caretakers of the earth and have a duty of care towards it. |
