Comments	<p>I strongly object to this application. The proposed development would have a hugely damaging impact on the local wildlife, habitat and species and needlessly destroy ancient and precious woodland. These woods are enjoyed and treasured by so many local people.</p> <p>Loxwood Road is a narrow, windy country road without footpaths or street lighting used extensively by cyclists, walkers, horse riders and parents with prams and pushchairs. It is not a suitable road for HGV traffic and if the application were to be permitted it would be an accident waiting to happen.</p>
