

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Sheila Davies"/>
Address	<input type="text" value="OAKLEA, VICARAGE HILL, VICARAGE HILL, BILLINGSHURST, RH14 0RG"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I strongly object to the proposed development that Loxwood Clay Pits have put forward. It is a greenfield site and National policy states that waste sites should be placed in brownfield or built up areas . This clearly isn't the case.</p> <p>The harm that it will cause to wildlife and threatened species would be heartbreaking. The increase in traffic along country lanes which, could be as many as 30 + HGV's per day for 30 years is frightening as it brings with it pollution and an increase in carbon emissions which can't be acceptable when we are trying to 'save this earth' not destroy it. There is no demand for clay regarding brick-making as it appears WSCC have reserves to cover the next 25 years so I have no idea as to why a clay pit is needed. Please protect this woodland from being torn apart just for 'financial gain' Look at what it will look like in 25 years if you allow this application to go ahead. Sheila Davies</p>
