## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Trevor Collett	
Address	25A Greenacres Bookham Surrey	
Type of Comment	Objection	
Comments	I have walked these woods and listened to the Nightingales and other birds, and looked at the beautiful native orchids and other wild flowers. Nothing extracted from this land can be more valuable than the long-established woodland it is now. Its destruction would be criminal.
