Comments	<p>I have been totally horrified by the proposed industrial development in an area of sublime beauty and peace!</p> <p>I have walked many times savouring the unspoilt aspect of this environment .</p> <p>At the present time we are all even more aware of how important it is to have wild areas, particularly in the cramped Home Counties.</p> <p>The devastating effect of constant traffic movements in a very quiet rural area cannot be underestimated , Pollution, noise, deteriorating road surfaces, and constant activity will deeply damage this quiet and beautiful place.</p> <p>Please, please listen to all those who object to this. Money is of course the driver. But consider our gorgeous countryside and the inhabitants who live around Lockwood and consider this proposal totally abhorrent.</p>
