Objection

environment, ours and our children's safety with the huge increase in traffic along an already busy road, loss of habitat which provides beautiful walks for families in the area....the list is endless. This development is NOT needed and NOT wanted. There is no benefit at all to the local community, only negatives, and I am absolutely baffled as to why this area has been chosen. This is a Greenfield site and policy states that waste sites should only be sited in built up areas or Brownfield sites. As a parent who walks young children along the already narrow pavements of Loxwood Road and the A281, I am scared and worried about the huge increase in HGV's, who will no doubt speed along the roads, posing a huge safety risk to my family and others in the area. I urge all those considering this application to think long and hard about the impact on the local environment, local residents and the young, vulnerable children growing up in these areas whose lives and futures will be most affected by these unnecessary developments. Climate Change is real yet we continue to develop and destroy natural habitat at an alarming rate. This is just another example of an irresponsible and greedy proposal that is not justified.

I wholeheartedly object to this application. As a local resident I fear for the impact on the local
