Application number	WSCC/030/21

Address	CAPE COPSE, 15, CAPE COPSE, HORSHAM, RH12 3HG
Type of Comment	Objection
Comments	This proposal will mean many large vehicles on our local country roads. They simply cannot handle this. The roads are not built for lorries and wide loads. The impact to local residents will be massive. The impact to the environment will be detrimental. These woods are used by families and dog owners for walking and any development as proposed will be bad for locals and the environment.
