We so strongly object to the above application. This is a disgrace and won't be tolerated.

No one understands why you would want to spoil people's lives who live in such idealic villages VILLAGES not towns.

Bucks green, Rudgwick etc are just not built for huge HGVs not withstanding the noise and smell and extra traffic along with potential road accidents especially at the lower end of church street Rudgwick where the schools are.

Loss of amenities and the closing of footpaths.

We are all trying to zero carbon this won't help

We don't don't need this and don't want it. PLEASE STOP IT
