Application number	WSCC/030/21	
Name	Kirsty Llewelyn	
Address	LITTLE HAVEN, KINGS ROAD, KINGS ROAD, HORSHAM, RH12 3EY	
Type of Comment	Objection	
Comments	This site will be built on ancient woodland that is habitat to many species of animals and birds. It is an area of outstanding beauty that locals have walked in for years. It is unnecessary of a clay pit to be built in this area. The surrounding roads can not handle 42 lorries a day, they are small country roads which 2 lorries	
	can not easily pass.
