Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Harry	
Address	GARLANDS, BILLINGSHURST, RH14 9BH	
Type of Comment	Objection	
Comments	Absolutely disgusting. I don't even recall being asked for approval yet this will affect me far into the future. Absolute disgrace. Sort yourselves out and face up to the reality that this can't happen without the will of the people. It's a joke. One second I'm sipping a fursty ferret and the next I'm being told you lot are going to be ruining the local area for years to come. I say no. Sort it out.
