Type of Comment	Objection
Comments	I really must object to the Clay Pits & Waste Recycling Plant at Pallinghurst Woods. We will lose wonderful public footpaths and bridle way and severely damage the environment by felling trees and losing or interfering with the wild life that habit these against

losing or interfering with the wild life that habit these acient woods. The increase in traffic will be severe and the heavy vehicles will cause huge damage to the surrounding roads. An example of this is Wildwood Lane, close to Alfold My cottage is on the B2133 and when heavy lorries pass through the village, the cottage shakes. I can find no beneficial reason for the community why this project should go ahead. Or is it a done deal and money has changed hands!
