

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Susan Tarrant"/>
Address	<input type="text" value="GRANTLEY HOUSE, SPY LANE, SPY LANE, BILLINGSHURST, RH14 0SS"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I would like to strongly object to this planning application on the following grounds:</p> <ol style="list-style-type: none">1. There is absolutely no demand for clay in this area, local brickworks are closing and those still in operation state they already have 25 years worth of clay from local suppliers. Transportation of clay from one area to another is both uneconomical and environmentally destructive.2. The siting of this proposed clay pit & recycling site would cause HGV's to use restricted width (C classified) narrow roads with blind bends & bridges. The Local Riding for the Disabled & Carriage Driving Association also operate from a nearby location and they would no longer be viable with the constant & serious danger posed by HGV lorries along these lanes. The narrow lanes around the site are also widely used by horse-riders, walkers and cyclists as well as local traffic and in Loxwood, Station Road is used as a dropping off & collection point for school children, the additional use of HGV lorries here would be particularly highly dangerous & inappropriate. Alternative residential routes around the village have no street lighting nor pavements, the whole area is therefore completely unsuitable for HGV traffic on this scale.3. This application is not sensitive to its greenfield location in terms of environment or size. It absolutely does not enhance, protect or compliment the local area for the enjoyment of its residents nor its wildlife in any way at all and I trust therefore this planning application will be refused. <p>Yours sincerely Sue Tarrant</p>
