Comments	<input type="text" value="I moved here at 14 years old, I'm now 20. I don't want to see the beautiful countryside industrialised! This proposed development will severely damage the natural environment and the landscape. The increase in large vehicles will cause disruption, pollution, dust and fumes to our beautiful village. I've been lucky to have walked these woods and I hope that one day my children will enjoy the pleasures and adventures of them too. It would be an absolute travesty for all this to be destroyed!"/>
