

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Peter Silk"/>
Address	<input are="" been="" enjoy="" enriched="" far="" have="" in="" less="" lives="" many="" of="" p="" past.<="" privileged="" than="" the="" to="" type="text" us="" value='"Lower Kings" Church Street, Rudgwick, West Sussex"/></td></tr><tr><td>Type of Comment</td><td><input type="text" value="Objection"/></td></tr><tr><td>Comments</td><td><p>My objections to this planning application are:</p><p>TRAFFIC</p><p>The roads in the area are not suitable for heavy lorries at the best of times, let alone the number that are expected with this application. Which leads on to:</p><p>CLIMATE</p><p>Any further deforestation and addition of heavy traffic pollution flies in the face of the recent UN report on climate change and world-wide concern generally.</p><p>Granting planning permission would be a backward step for West Sussex.C.C., which has proved very supportive in other environmental fields, such as increasing recycling facilities.</p><p>LOCAL ENVIRONMENT</p><p>Ancient woodland is a precious bonus to the area and must be retained for future generations. Even now, childrens'/>
