

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Jane Sharp"/>
Address	<input type="text" value="LYNWICK STREET, 4, LYNWICK STREET, HORSHAM, RH12 3DJ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>This site is entirely unsuitable for the following reasons:- Unspoiled woodland which would be adversely affected by noise, pollution and damage to wildlife It is a greenfield site and should not be used for such a purpose which is non-compliant with the Loxwood Neighbourhood Plan and the Chichester District Local Plan The access and local roads are totally unsuitable for the vastly increased HGV movements which would ensue if this project is approved. From Loxwood to Bucks Green this road is dangerous and narrow, with cyclists, equestrians and pedestrians already at risk from the existing traffic. This situation would only become more hazardous with constant HGV movements. There is no justification for a waste site in this peaceful woodland setting - national policy stipulates such facilities should be sited in brownfield or urban areas</p>
