Comments	<input type="text" value="I and my family TOTALLY OBJECT to this application. Everything about it is detrimental to the area: Increased traffic- HGV's ruining the roads and verges, lanes not wide enough, increased pollution; Highway Safety issues; major Harmful Impact on Environment- bats, ancient trees, badgers and other wildlife and flora; Excess Water usage in an already water-stressed area; Pollution- dust, noise, smell and light; Non Conformity to Neighbourhood Plan; Conflicts with local Farming Activity; Unnecessary Closure of Footpath; No Justification for this Waste Site in this area. Please make the right decision!"/>
