Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Beverley Miller	
Address	MARLOES, COX GREEN, COX GREEN, HORSHAM, RH12 3DD	
Type of Comment	Objection	
Comments	I strongly object to this proposal because:	
	 This is a greenfield site and unsuitable for a clay pit and waste recycling. It will destroy this beautiful woodland with all its flora and fauna and cause unimaginable pollution. The proposed route to the site from the A281 is used by local cyclists, walkers and horse riders and will become even more dangerous with 42 large lorries per day using this route, this will impact on the safety of local people. The closure of a footpath on the Northern boundary will deprive locals of a much-loved route through these beautiful woods. 	
	I urge you to reject this proposal.
