Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Stephen Platt	
Address	ORCHARD HILL, 30, ORCHARD HILL, HORSHAM, RH12 3EQ	
Type of Comment	Objection]
Comments	 Reasons for objection: 1. Suitability of location - this is a greenfield site and National Policy states that waste sites should be in built-up areas or brown field sites. 2. Dust, odour and fumes: Generators and increased vehicle movements (HGVs) will negatively impact the environment, increasing pollution and net carbon emissions. 3. Traffic generation and highway safety: the increased HGV traffic on small, narrow, local roads will create a danger to cyclist's, pedestrians and other road users. 4. Noise and disturbance: the increased number of HGVs on the local roads, in addition to site specific noise generated by vehicles and excavators, will create a significant noise and disturbance in an otherwise tranquil, rural environment.
