

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Sam Trinder"/>
Address	<input type="text" value="OAK CLOSE, 1, OAK CLOSE, CRANLEIGH, GU6 7PT"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I strongly object to this application because of the devastation it will cause to the ecology and natural environment due massive disturbance from excavation, noise, light and HGV traffic. Furthermore there will be a huge loss of public amenity due to the impact on access and the desecration of a tranquil area where people walk and ride.</p> <p>Why here and not much closer to urban centres and trunk/A roads? Or if a local site is needed why not use an existing brownfield site? For example the Wienerberger Ockley/Ewhurst brick works which has been brick producing far below full capacity for many years. Or the site of the former Cranleigh Brick and Tile works on Knowle Lane? Pallinghurst woods are one of the least suitable sites in the whole county for this development!</p>
