## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Con / Dootlothuroito	
Name	Gary Postlethwaite	
Address	GLEBELANDS, 2, GLEBELANDS, BILLINGSHURST, RH14 0SW	
Type of Comment	Objection	
Comments	This application, if approved would have a considerable detrimental effect on the rich woodland habitat that the area currently provides. West Sussex County County claims to have environmental issues at heart with schemes such as kerbside recycling of small appliances and textiles, and Solar Together. Such a claim would have no credibility whatsoever were the council to approve such an environmentally damaging scheme as this.
