

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="James Sarmecanic"/>
Address	<input type="text" value="LYNTON GROVE, LOXMEADOW CLOSE, LOXMEADOW CLOSE, BILLINGSHURST, RH14 0RL"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I would like to object to this application for the following reasons.</p> <p>Demand. There is no demand for additional clay pits / brick making as WSCC already has 25 years of supply in reserves.</p> <p>Suitability. Given the lack of demand, it would be unsuitable to develop this greenfield site.</p> <p>Amenity. The impact on local users of the existing footpaths and bridleways does not appear to have been fully considered and especially horse-riders should be consulted on the proposals.</p> <p>Environment. There will be impacts on local ancient woodland and species, including several threatened bat species.</p> <p>Traffic. The increase in traffic, particularly HGV traffic, along country roads that are already congested during daytime is a major concern.</p> <p>Safety. The proposed access via the lay-by on Loxwood Road raises serious safety concerns for other road users as well as those who use the footpaths and bridleways impacted by this proposal.</p> <p>In summary, this development plan appears to be unnecessary and ill-considered.</p>
