Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="I strongly object to this application as any advantages are far outweighed by the disadvantages. The only possible advantage is the financial benefit to the applicant, but the local area and residents will not even get this minor advantage. The negatives and disadvantages are many, and these will have been detailed in all the other objections: destruction of woodland, hiking paths, cycle tracks, noise, pollution, congestion, etc, etc. Any councillor on the planning committee, or anybody else for that matter, who considers this application, can surely not support it."/>
