

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Emma Lee"/>
Address	<input type="text" value="Loxwood Preschool, Badgers Way, Loxwood, West Sussex, RH14 0TJ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>As manager of Loxwood Pre-School I cannot put into words how devastated we are at the thought of this beautiful woodland area potentially turning into clay-pits.</p> <p>The children visit these woods each week and enjoy exploring the outside world and developing their learning in ways that you cannot teach in a classroom!</p> <p>Learning through first hand experiences is a huge part of how children learn and being out in the woods develops their imagination to lengths you would not believe.</p> <p>The woods have been a huge part of community building and fundraising for our Pre-School as our children have taken part in a sponsored walk to raise funds to buy P.E equipment which the loxwood community helped us with a great amount.</p> <p>The children really enjoy playing in the dens that other children of Loxwood have spent hours building and slipping and sliding in the mud as well balancing across bridges.</p>
