Comments	<p>I wholeheartedly object to this planning application for personal reasons outlined below:</p> <ol style="list-style-type: none">1. It is an unbelievable attempt to destroy ancient woodland.2. Since a teenager, I have used these woods to hack my horse through. It is a safe and beautiful place off busy roads like the A281 for junior and all equestrians to exercise their horses safely.3. The woods offer wonderful routes to walk my dogs without negotiating roads.4. RTA's are already not infrequent on these country roads, and our dog has also been killed. The increase in heavy duty vehicles plus the additional traffic will be a danger to pedestrians, equestrians, cyclists, walkers, dog walkers, children and wildlife.5. The roads are already too narrow and only just cope with daily usage of residents and commuters. 42 huge vehicles per day is unthinkable.6. The roads are already minor roads and not suitable for multiple HGV's. It is a quiet area and the noise and air pollution will be intolerable. <p>Regards</p> <p>Tahli Grobbelaar</p>
