Application number	WSCC/030/21
Name	Anthea Martin-Jenkins
Address	JOBSONS COTTAGE, JOBSONS LANE, JOBSONS LANE, HASLEMERE, GU27 3BY
Type of Comment	Objection
Comments	<p>I object to this application for the following reasons:</p> <ol style="list-style-type: none">1. This is a greenfield site in a lovely, wooded, rural area. The proposed design of the building would have a significant impact on the area.2. The negative impact on the environment and wildlife.3. Inappropriate access affecting rights of way and vehicle movements along unsuitable roads causing noise ad disturbance to local residents.4. There is no demand for local wealden clay as demonstrated by the closure of West Hoathly brickworks or for the manufacture of bricks at Pitsham brickworks which doesn't use wealden clay. <p>I trust the Council will take these comments into account when considering this application'</p> <p>Anthea Martin-Jenkins</p>
