Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I object to this planning application on the grounds that it is extremely damaging to the environment, which IF approved, will have immeasurable impacts on wildlife, habitats, trees and fauna for years to come.</p> <p>We do NOT need the destruction, disruption or disturbance to this local and wider area, in return for a bit of commerce for the short sighted few.</p> <p>Protect our precious woodlands and environment.</p> <p>I ask this of the Authorities - please listen to "the people". Do not make a mockery of the objecting process.</p>
