Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Patrick Sherlock	
Address	PRINCESS ANNE ROAD, 3, PRINCESS ANNE ROAD, HORSHAM, RH12 3HR	
Type of Comment	Objection	
Comments	I object because they will be destroying the ancient woodland in this area! There will also be a load more traffic created from the trucks on the little roads, these are not built for these kind of trucks to take over the roads. The noise it will create will be heard for miles around! Also will be destroying all the animals homes in that area
