Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Austin Bryan	
Address	TIGNA, HIGHCROFT DRIVE, HIGHCROFT DRIVE, HORSHAM, RH12 3DB	
Type of Comment	Objection	
Comments	Unless something drastic is done to the infrastructure, this will cause intolerable traffic disturbance. The destruction of ancient woodland and the damage to wildlife is a further important factor to consider to say nothing of the removal of existing footpaths long enjoyed by members of the public.
