Comments	I object to the proposed plan of Loxwood clay pits.  Loxwood and the surrounding villages roads are not suitable for heavy traffic. It can not take anymore!!!  The roads for many months of the year have deep dangerous pot holes, getting repaired maybe one year. These pot holes are the same reoccurring holes.  The road is not wide enough for the lorries to pass together and is tight between a car and lorry. Lots of public use the road to walk, ride bikes and horses these lorries would pose a substantial safe risk to the public using them, and will be an accident waiting to happen.  Dust and pollution will fill our village!!!!  I say no to Loxwood claypits!!!!!
