## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name		
Name	Craig Talman	
Address	ROSE COTTAGE, STATION ROAD, STATION ROAD, BILLINGSHURST, RH14 0SN	
Type of	Objection	
Comment		
Comments	I am strongly against this application as I feel it is hugely detrimental and unfitting for this rural area. The impact on the natural environment and unnecessary destruction of this tranquil site causes vast amounts of damage for absolutely NO benefit to the local community and is once again destroying a green field site. The lost of habit including trees and hedgerows will cause untold damage to the wildlife population at a time when the countryside is becoming under threat ever more. The extra traffic as a result of this it in no way fitting on the local villages and will be unsafe for current road users and pedestrians along with increased road emissions and noise pollution.
